

Plastics Partnerships Results

SM POLYMERS IS A BROKER AND DISTRIBUTOR OF PRIME, OFF GRADE & RECYCLED RESINS.

Partnered with 10 major North American petrochemical companies means we have the supply to service almost any size account with resin needs. In today's competitive marketplace we want to meet these needs and stand out by serving you, the customer.

Building and maintaining relationships is what we are all about: offering a variety of resins, keeping you updated on the markets and providing excellent response.
